Another equally beautiful destination for nature lovers would be the *Baggersee Brachelen*. Don't miss the lovely Kapbusch recreation area. This here's a forest incorporating a nature park where you get glimpses of castles and other buildings on your hiking route.

A round of the museums of Hückelhoven will give an idea of its rich and varied history. The *Besucherbergwerk* will give information about its mining history, while the Basket Museum will delight you with its modern history. The Automobile museum displays restored Opel classics and other 50 year old beauties.

As for historical architecture you can't miss the fabulous *Pfarrkirche*. This gothic beauty built in the late 19th century will amaze you with its thoughtful details and highly artistic embellishment. The interiors are no less amazing. Don't miss the coat of arms in gold.

The Farmhouse Grone Waldstraße is another historical edifice worth visiting. Though not on the same scale as the church, this building does have interesting features that you can't but admire.

The Good Gritt in Doveren is another must see that will have you in raptures. This is a moated castle in perfect condition. In same category you will find the House Blumenthal, a three winged castle.

While you're at it, try to fit in the Hallbaum, the House Kleinkukel, and the exquisite House Hückelhoven into your itinerary.
