The Münster event calendar is packed with fun, interesting and entertaining activities, no matter what time of year you visit.

## The Send Funfair

The *Send Funfair* is the largest Münster event. There are over 250 performers and stall operators and about **one million** spectators.

The funfair takes place three times every year, with the Hindenburgplatz as the main venue. Don't miss out on the fun and plan your visit for one of the three occasions of the *Send*.

## International Kite Festival

The International Kite Festival is a popular summertime event. Head over to Aasee and watch the skies fill with different colors and shapes as the kite wranglers show off their stuff.

## Kreuzviertel Festival

The *Kreuzviertel Festival* is one of the oldest and most historic Münster events. Visitors flock to this festival for the food, the fun and the children's flea market.

## Street Party on Hammer Straße

Münster's biggest street party features all-day shopping from a wide variety of craftsmen, artists and merchants. The Street Party on Hammer Straße also has great music and plenty of food.

The party typically begins in late July or early August.

## **Harbor Festival**

While Münster's harbor was once nothing but industrial buildings and unsightly warehouses, the city's revitalization projects have transformed this area and also the festival. The *Hafenfest* now showcases hot nightlife spots, theaters, artists' studios and fine restaurants.

## **Eurocityfest**

This Münster event puts the spotlight on the local culture, not just of the city itself, but also its surrounding regions. Music is always at the forefront here. There are open-air concerts and performances as the entire city embraces its musical side.

The highlight of the *Eurocityfest* is the enormous stage that is set up just in front of the cathedral.

## **Christmas market**

No German city's event calendar is complete without a Christmas market and Münster is no exception. Each year, there are holiday decorations and lights with over 250 vendors selling their wares to both local and visiting revelers.
